

Seatcraft Monaco

The Seatcraft Monaco home theater seat boasts a striking look that will accommodate guests for years to come. The seat backs of the Monaco are firmly bolstered, with adjustable power headrests that let you find and switch positions with the simple push of a button. Wooden accents lend the armrests a natural yet classy sense of character.

Material & Colors

Top Grain Leather 7000

7101
Black

7252
Brown

Leather 7000 is, quite simply, the very finest leather you can pick for your home theater seat.
