

## Seatcraft Sienna

The Sienna home theater seat is renowned for its elegant space-saving design, that nonetheless highlights an array of essential features. The chair itself is of a regular size, but its armrests are less wide than the standard.

## Material & Colors

Leather Gel

LG133  
Black

LG234  
Brown

Leather Gel has leather in the face of the fabric, and has significantly better wear and hydrolysis than most artificial leathers.

\*Amplifier sold separately

Powered By  
**SoundShaker**

Feel the movie! Connects to your audio system easily and has wireless access.
